Diversity Information

Diversity, Equity and Inclusion (DEI) is a real priority for us and key to our business strategy. To help us ensure we offer fair opportunities, we collect diversity data to monitor our progress and ensure we remove any barriers for underrepresented groups. Just in case you're wondering why we ask them:

- Question 1 is asked to enable gender pay gap reporting and legislation requires us to monitor in this way. We understand that gender isn't a binary and the following question asks you to choose a gender option that better reflects your actual identity

- Question 9 is to understand your parents occupation aged around 14 to allows us to monitor the social and economic backgrounds of our applicants and colleagues to make sure we're supporting social mobility in the UK. The information collected is optional and you'll be given the option of 'prefer not to say'.

All data collected is anonymised.
